Here is what Joe says on his Pledge Music page:

I've been playing since I was kid back in the 20th Century. Authenticity takes time, so I worked with some real pros, did more gigs than I got paid for and now I'm authentic. I wrote a bunch of tunes and have met some great players. Now it's time to put them all together with you and make a CD.

Musically, this record is going to be pretty diverse. We won't be doing any Metal or Opera, but everything else is fair game.

I'll be joined by some of the best musicians in LA and the world, including Chuck Kavooras, Arnold McCuller (James Taylor), Phil Parlapiano (John Prine, Rod Stewart), Leland Sklar (Phil Collins, James Taylor), Mark Tabbert, Hank Van Sickle, Dusty Watson and others. By pledging, you'll have have exclusive access to see and hear these musicians in action!

We'll be recording a lot of 'The Project' at Chuck's Slideaway Music Studio and doing behind-the-scenes videos along the way to bring you into the process of the making of this new CD. I want YOU to be a part of it and see it all happen! There are also some fun exclusives listed on the right to make this a win/win deal for everybody.

Rarely can you do something good and have fun at the same time. The best part of 'The Project' is you CAN do BOTH. Parkinson's Disease is a killer that affects 1 in 100 Americans over 60. Part of every pledge goes to the Michael J. Fox Foundation, to fund research to find a cure. While you're doing good, you can enjoy some music, enjoy rewards and have fun…Are You In?I've been playing since I was kid back in the 20th Century. Authenticity takes time, so I
